About Us

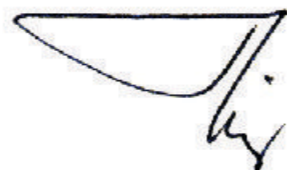

PT. Pionir Terratama conduct's Inspection service, Non Destructive Testing, Inspection & Certification Service and Survey such as : Lifting Gear n Lifting Appliances, Crane, Pressure Vessel, Tank, Ultrasonic testing, Magnetic Particle Test and Dye Penetrant Test, Fuel Consumable test, WPS/PQR and Welder Certification.

As a third party, on behalf of the government in this regard Disnakertran RI and Department of Mining and Energy (Minerba)

Fast growth nowadays make us extend our servicer in the area of Oil and Gas, Mining, and General Workshop in East Kalimantan and some provinces such as Nusa Tenggara Timur, South Kalimantan and Central Kalimantan, especially in Coal Mining area.

Currently we have some skilled workers and certified in occupational safety, NDT technicians and supporting equipment

Future, we will continue to develop the skills themselves to be one company that is able to work professionally and continue to promote the quality in planning, progress and results are expected to be global.

Teguh Rahayu Slamet
President Director
